CONTEST RULES

You MUST enter at least one category!

You can enter as MANY categories as you like!

You may only enter ONE image PER category!

All images must have been taken during the Photography Basics with Bubbles Lab.

Images submitted to ANY category can include people or no people.

Incorrectly named images will be disqualified from the contest.

The winning images in each of these categories will advance to the Final Round and compete with the best images from all labs for Double Extra Credit points! **Good Luck!**
