Amy Pierce Artist State... × MUniversity of Maine Sy... × +

Now Open your Browser and type in your URL For example mine is: www.amyopierce.nmdprojects.net and your bio/creative statement and bio image should appear

Don't worry about the presentation: we will deal with that when we get to CSS

\*Just make sure that your image(s) and text are showing up.

Photo by Adrian Buckmaster

#### Bio

Any Pierce wa born in Yonkers, New York where she made movies with her sisters, the family video camera, and loads of fake blood. Later she moved to Connecticut of Connecticut. Directly following do was off- to New York City, guided by her affinity for visial agreemion, where she tatted her own basiness and worked as a comthome, Pantheno Book, Guinken Lais, Linima Spiever, The Willie Yoles, NY Press, Japanese Patyong, Patimon Patyo, Wang, KL, RAR, DUW, TACK, and LET Bhe has had photographs exhibited in group shows throughout the New York raw, including one at the Brooklyn Masseum and the Masseum of Sax in New York City. He bages the Information RAP opergons at the University of Malans and is accetedy segarging in one crastive stretoy.

#### Artist Statement

In my work, I strive to convey a concept and I choose the visual medium to best express that. I do this through photography, film, and contam-making. Through I are visionable and emotionally thready. I am influenced by strata, fase, imperfection, and obesions. Through subcrately constructed marriers, I address stereotypical and the role expectations of both women adms. That we applied subjects that a previous diputationation, encoding dependence, sensitional dependence, sensitienal dependence, sensitional dependence, sensition
